International Estate Planning: A Reference Guide

Bove & Langa is happy to announce the publication of [Melissa Langa's](#) new book co-written with [Barbara Hauser](#)

[International Estate Planning: A Reference Guide](#)

- Second Edition: Completely updated for 2020
- The go-to resource for practitioners & advisors with cross-border clients with international assets, family members living abroad, complicated tax issues due to nationality, employment, or residence issues, and much more
- In-depth analysis of nineteen jurisdictions by local practitioners
- Available in hard cover or PDF format
- Read a review of the book from Steve Leimberg [here](#)

We congratulate Melissa on this extraordinary publication. The research, depth of understanding, and expert knowledge expressed in this Guide represents Melissa's work ethic and her dedication to the field of domestic and international estate planning.
